

WESLEYAN

October 2011

Dear Prospective Parents:

We deeply appreciate your interest in Wesleyan School for your child and hope that you will invest the time to become more acquainted with us and our school.

Wesleyan seeks to be a relatively small, Trinitarian Christian, full activity school for the well-rounded, college-bound student. Our K-12 student body currently has an enrollment of 1,135 with approximately 114 students in each high school grade. We have three sections in each elementary grade with 18-20 students in each section. Each year we accept new students at most grade levels, but the largest matriculation points are kindergarten, fifth, sixth, and ninth.

While we admit and welcome children and families from a variety of faith backgrounds (and no faith), all of our teachers and staff are professing Christians. They are our greatest strength in successfully carrying out our mission. Students are exposed to the Bible and Christianity through courses, chapel services, mission trips, fellowship groups, retreats, Bible studies and in the day-to-day interactions with the teachers, coaches, sponsors, advisors and administrators of the school. Our community is close-knit and class sizes are small. The average in the high school is less than 15. We view parents as essential partners in the education and development of children, and we earnestly desire their participation and support. Likewise, we expect and encourage our students to take part in the wide array of sports, arts and other activities that we offer including domestic and international mission trips.

The enclosed information includes an application for admission and other details about our mission, philosophy, plans and programs. We encourage you to read the information, speak with friends and neighbors who have children that attend the school, and visit the campus to obtain a real feel for who we are and all that we have to offer your child. Be sure to also visit our web site at www.wesleyanschool.org.

Wesleyan School holds much promise for this community and its families, and we thank you for your expression of interest in learning more about us.

With grateful appreciation,

Headmaster

Admission to Wesleyan School is determined by the Admissions Committee which bases its decision upon the school's ability to meet the applicant's needs, taking into account all components of the application including: (1) a teacher recommendation, (2) an academic test and observation given by Wesleyan staff, (3) current school records, if applicable, and (4) test scores from the Joint Admissions Testing Program (JATP).

In order to avoid a delay in the admission process, please return all forms as soon as possible.

CHECKLIST

- JATP** - Send in your JATP registration card to one of the approved psychologists by December 15, 2011 to schedule your child for the Joint Admissions Testing Program (JATP) before February 29, 2012. After December 15, a late fee will be charged by the psychologists. The brochure can be printed from the website or email Sylvia Pryor (spryor@wesleyanschool.org).
- Submit the on-line Application (preferred method) and Form 1 (Parent/Guardian Statement) as soon as possible along with the non-refundable \$85.00 application fee. A recent photo must be attached.
- The Teacher Recommendation Form should be completed through *Schoolrecs* on-line (preferred method). If the student applied on-line, go to www.schoolrecs.com and log on using the Infosnap account.

If the application was not submitted on-line, please use the following link to access the appropriate Wesleyan recommendation, and create an Infosnap account: <https://secure.infosnap.com/schoolrecs/gosnap.aspx?solution=60>. All forms should be returned to the Admissions Office before February 16, 2012.

- Give the Transcript Release Authorization to your child's current school, along with a stamped envelope addressed to *Wesleyan School Admissions Office, Attention: Sylvia Pryor*.
- Please check with the admissions office to ensure that all forms have been received and that the application is complete. Please email Sylvia Pryor (spryor@wesleyanschool.org) or call 678-223-2267.

TESTING

Wesleyan will schedule on-campus testing for your child. You will be notified of the day and time by email after the application has been received in the Admissions Office. (Please note the dates above.) Parents of applicants who are moving to Atlanta from out of town are asked to contact Mari Beth King, Director of Admissions at 678-223-2254 or email mbking@wesleyanschool.org if special arrangements are needed.

It is recommended that you AND YOUR CHILD attend the FAMILY Open House on Saturday, January 21, 2012 at 1:00pm.

Wesleyan, as well as all other AAIS schools, will mail notification letters (acceptance, wait-pool and non-acceptance on Friday, April 6, 2012. Parents of accepted applicants must either return the contract of acceptance or advise the Admissions Office of non-acceptance by Thursday, April 19, 2012.

Please Note: AAIS rules do not allow contact between the school and the applicant from April 6 to April 19 OR until the contract has been returned.

STUDENTS' STATEMENT OF AGREEMENT AND SIGNATURE (Grades 5-12 Applicants Only)

I understand the following conditions of admission:

- 1. My education is a cooperative undertaking among the school, my parents and me. I will support the educational philosophy, objectives and policies of the school at and away from Wesleyan School. I realize the lack of such support may be grounds for not being permitted to re-enroll and, in extreme cases, for dismissal from school according to school policies.*
- 2. Wesleyan School regulations forbid the use of alcohol, tobacco and illegal drugs for all students both on and off campus, and possession or use of illegal drugs, alcohol or tobacco on or off campus will be grounds for dismissal or other disciplinary measures at the discretion of the school.*
- 3. If admitted, I pledge on my honor as a Wesleyan School student, that I will not cheat, lie, steal or vandalize, nor will I tolerate those who do, and I will do my utmost to assure the effective operation of the Honor System.*
- 4. Please read the following statement regarding high school student eligibility. It is our hope that this will answer any questions or concerns that you may have about high school extracurricular involvement at Wesleyan.*

Georgia High School Association (GHSA) Eligibility (Grades 9-12 Only)

Any student who transfers to Wesleyan after he/she has begun the ninth (9) grade at another school will be ineligible for Wesleyan and Georgia High School Association varsity sports (including athletic and literary/drama competitions) for one calendar year, unless that student and his/her family have moved into Gwinnett County from another school district, county, or state.

PARENTS' STATEMENT OF AGREEMENT AND SIGNATURE

I understand and agree to the following conditions of admission:

- 1. Christian education is a cooperative undertaking among the school, parents and students. Consequently, the educational philosophy, objectives and policies of the school will receive our support and that of our son or daughter at and away from school. The lack of such support may be grounds for a student not being permitted to re-enroll and, in extreme cases, for dismissal from school according to school policies. Desiring our child's total educational program to be effective, we agree that we as parents will maintain for our son or daughter an environment away from school which is compatible with the school, especially in the area of moral standards.*
- 2. We understand that if our son or daughter possesses or uses alcoholic beverages, illegal drugs or tobacco products at or away from school, he or she may be dismissed from school or subjected to other disciplinary measures at the discretion of the school.
The faculty and administration of the school have the responsibility as well as the authority from us as parents to discipline our son or daughter as they judge necessary.*
- 3. I also authorize Wesleyan School to contact current and previous schools or other sources to obtain information to support this application. I will not seek access to confidential recommendations or evaluation materials provided by previous schools, school administrators, counselors, pastors, youth pastors or other sources before or after admission.*
- 4. I have read and will support the additional school policy defined above in the Student Statement of Agreement.*
- 5. I verify that all the forms and information that I have submitted are true and correct to the best of my knowledge.*

Seeking admission to schools can be a rather complex process. The following general admissions guidelines are offered in order to clarify the process.

While time spent presently in the admissions process is not insignificant, it has been decidedly shortened because of the JATP schools acceptance of one report on each student from a participating JATP psychological center. If the parents desire a more detailed report, or have questions about their child's test results, an appointment may be scheduled with the psychologist for further interpretation. The fee for this service is to be determined by the testing psychologist.

CONSIDERATIONS FOR ADMISSION TO JATP SCHOOLS

The psychological report is only one component of an array of factors which determine acceptance to JATP schools. While the test is very beneficial, it is based on a one-time interview on a one-to-one basis on a particular day in a student's life. Mental ability tests of any kind — individual or group — measure convergent thinking (where there is generally only one acceptable answer), not divergent thinking (which leads to multiple answers and is often exhibited by highly creative children). Recent research on intelligence suggests that there are many kinds of intelligence and types of learning styles. Hence reports from the JATP testing must be kept in perspective. Many subjective variables which affect the scores can be present in young children. Moreover, it has appeared to the schools that high scores on the tests are not necessarily commensurate with later school success. *If high test scores appear to be a result of obvious coaching, tutoring, or retesting, this will be reported to the schools to which the child is applying and will be taken into consideration in the admissions process.*

Over the years the individual school's observation of a student has been found to be the most highly predictive factor of the student's success in that school. Each school has its own guidelines for admissions, including observations, interviews, and past school performances.

The JATP schools are aware that with so many qualified applicants, some students will not be admitted just because space is not available. Some disappointments are inevitable — for students, parents, and schools. It is important to keep the admissions process and decisions in perspective. Children can and do learn in varied educational environments; parents play a vital part in providing their children opportunities and what is even more important, role-modeling.

The JATP schools hope that this information will be useful to you as parents of an applicant this year. *Please remember to mail in the JATP application to the psychologist to schedule an appointment for testing. The psychologists will not schedule the appointment over the phone without the application.*

Instructions: The following is needed by the psychologist to manage your child's evaluation. The information must be complete and legible to facilitate scheduling and mailing of test results to parents. Please make sure your payment is included.

School Year

THE PROGRAM

The Atlanta Area Association of Independent Schools (AAAIS), in cooperation with the psychologists listed in this brochure, has established a **Joint Admissions Testing Program (JATP)** for students applying for kindergarten through grade five. An evaluation of the student by one of these psychologists will meet the testing requirements of these participating schools:

The Galloway School
The Heiskell School
Heritage Preparatory School
The Lovett School
Mount Vernon Presbyterian School
Pace Academy
Saint Francis School
St. Martin's Episcopal School
Trinity School
Wesleyan School
The Westminster Schools
Whitefield Academy

These twelve schools have agreed to participate in the JATP program for Grades K-5, which includes testing, notification of admission status, and candidate reply date. **Testing results are the property of the JATP and copies shall not be provided to anyone other than JATP member schools.**

Notification of Admissions Status and Candidate Reply Date:

Schools that participate in the AAAIS common notification and reply date policy have agreed that admission decisions for all grades will be mailed to parents on Friday, April 6, 2012. All participating schools have further agreed that applicants for any grade (Pre-Kindergarten-12) will not be required to indicate acceptance of admission prior to Thursday, April 19, 2012.

Description of the Tests:

A nationally standardized measure of cognitive functioning is administered on a one-to-one basis by licensed psychologists qualified in psycho-educational assessment. Depending on age and individual variation, testing time may range from approximately 35 to 90 minutes.

Parents will receive by mail a summary of their child's test score ranges. Detailed results of the evaluation will be sent only to the participating school(s) of your choice. If parents desire more detailed feedback, an appointment may be scheduled with the psychologist for an additional hourly fee to review the test results.

Fee Schedule:

The fee is \$180 for rising grades K-1 and \$200 for rising grades 2-5. The early application discount fee for Testing Applications received by 12/15/11 is \$160 for grades K-1 and \$180 for grades 2-5.

A check payable to Psychologist's Name/JATP (example: Jane Jones, Ph.D./JATP) must accompany the application.

Registration:

The procedure outlined must be followed to apply for testing:

1. Obtain an application to the school(s) to which you are applying for admission. No school will consider an evaluation until an Application for Admission to that particular school has been completed. The JATP school will supply you with a JATP Testing Application.
2. When completing the JATP Testing Application, be sure to indicate the school(s) of your choice (schools may be added at any time). Complete, detach, and mail the JATP testing application to the psychologist of your choice. To assure complete processing and the schools' receipt of the test results, your Testing Application should be received by the psychologist as soon as possible.
3. Upon receipt of your JATP application and payment, the psychologist will contact you for an appointment. All appointments for testing are made by the individual psychologist — not by the schools. Testing of applicants begins in October. **Since your child will be compared only to children within a narrow age range, late testing provides no advantage. Early contact with the JATP psychologist is strongly recommended to ensure an appointment and to expedite prompt receipt of test results by the school(s).** Results of testing will be transmitted electronically to the school(s) indicated.
4. Friday, February 17, is the deadline for test results to be received by the school(s). Contact individual schools concerning exceptions beyond the above date.

Cancellations:

Testing appointments that are cancelled *and not rescheduled* will incur a deduction in the refund of the Test Fee as follows:

\$25 if cancelled at least 7 days in advance, or

\$50 if cancelled with less than 7 days notice.

There will be no refund if there is a cancellation within 48 hours of the appointment. In the event of illness or family emergency, appointments may be rescheduled with no additional charge.

Additional Information:

To ensure test validity, the psychological test may be administered only once per admission season. Applicants to grades four and five may use last year's JATP testing in lieu of retesting this admission season. Upon written request, psychologists will forward last year's testing results for a fee of \$25.00. Fourth and fifth grade applicants have the option of being retested at the full testing fee.

Psychologists will report to the schools any indication that a child has been coached, tutored, or retested.

Results are released to JATP schools only.

In addition to the assessment by a psychologist, JATP schools require an interview/observation with the applicant. You will be notified by the respective schools of the date of this interview or observation session.

Important Considerations

- JATP testing should not be considered a substitute for a comprehensive psychoeducational evaluation. The limited time a psychologist spends with each child does not provide the full battery of tests necessary for the psychologist to draw in-depth conclusions.
- JATP encourages early fall testing because it ensures the availability of a testing time for your child and more flexibility in scheduling. **There is no advantage to waiting later in the school year (i.e., January or February) for testing because the norms of the standardized tests used in JATP compare children within a narrow age range.** Please submit your testing cards as promptly as you can. Psychologists begin providing testing appointments in October.
- JATP encourages parents who have questions or concerns about test results to schedule an appointment with the psychologist to review the testing results of their child. No school recommendations may be made, but this appointment will provide more detailed information about the testing. JATP member schools will not review JATP testing with parents during the admission process.
