If you've got spirit, this is the camp for you! Fundamental qualities of a good cheerleader will be emphasized, while chants, cheers, jumps, dances, and stunts will be taught. Girls attending this camp must wear comfortable clothing and athletic shoes, and they must have a positive attitude. Camp instructors will include cheerleaders and coaches from the Wolves cheerleading squads. The final day of camp will conclude with a performance for parents and special friends.

All Campers need to bring a lunch and something to drink.
