acook@wesleyanschool.org

If you don't know which sport to pick, this is the camp for your son or daughter. The Wesleyan Peewee Ball Camp is led by Andy Cook, Director of Admissions & JV Football Coach. The camp will focus on sports fundamentals (in soccer, football, baseball, basketball and more) but mostly on fun. Each morning campers will try new sports and games, developing basic stances, form and techniques. After lunch, they will play games on the field or in the gym. The gymnasium will also be utilized on rainy days or when there is an extreme spike in temperature. Campers should bring lunch, water, sunscreen, and hat.
