Marchman Gymnasium: Dance Studio
Rising 1st - Rising 4th
\$130.00/child

Does your child love to dance, dance, dance?! At the Wesleyan dance camp, students will learn dance and movement fundamentals through a variety of styles including ballet, jazz, hip-hop and acrobatics. A broad range of teaching activities will be used to encourage students to discover and appreciate the many ways they can express themselves through movement in a fun and safe fashion. The final day of camp will conclude with a performance for parents and special friends.

This camp is limited to twenty (20) students. All campers need to bring a lunch and something to drink.
