The Wesleyan Youth Football Camp is a summer event for rising K-8th grade boys who wish to learn and practice the basic skills necessary to succeed in football. This is a no-contact camp where Wesleyan coaches and varsity players are on hand to instruct and supervise at all times. The essential mechanics of running, throwing, and catching are given particular emphasis. Each day begins with stretches and warm-ups followed by small-group instruction and concludes with 7-on-7 flag football. The camp takes place on the Lake Fields adjacent to Davidson Natatorium on Wesleyan's campus. Participants need only bring a pair of cleats and water bottle. Also, please make sure the participants eat a healthy breakfast and wear sunscreen when needed.
