The Wesleyan Golf Camp is for boys and girls who are new to the game (or almost new). Campers will be working with a combination of teachers: Coach Blue, pros from River Pines, and Wesleyan high school golfers. They will learn all the basics: grip, swing, short game, putting, keeping score, golf etiquette, and much more. Campers will need their own clubs, and they will need to wear collared shirts to the camp. On Friday the campers will participate in a tournament at the River Pines par 3 course. This camp will be limited to 20 campers.
