acook@wesleyanschool.org

If you don't know which sport to pick, this is the camp for your son or daughter. The Wesleyan Peewee Ball Camp is led by Andy Cook, Director of Development & JV Football Coach. The camp will focus on sports fundamentals (in soccer, football, baseball, basketball and more) but mostly on fun. Each morning will begin with a devotion and campers will participate in sports and games, developing basic stances, form and technique. After lunch, they will play games on the field or in the gym. We will save plenty of time for supervised free-play. The gymnasium will also be utilized on rainy days or when there is an extreme spike in temperature. Campers should bring clearly labeled lunch and water bottle and already have sunscreen on. A t-shirt is included in the price of camp. Campers must be 4 years-old by June 1 to attend.
