Rising 5th – Rising 8th

Teachers: Pat McCoy and Paige Pera – Wesley Hall – rooms 262 and 264

\$100/child

pmccoy@wesleyanschool.org or ppera@wesleyanschool.org

Academic success depends on good study skills. This course teaches techniques to enhance study habits, note-taking skills, organization, and time management. We will focus on developing good listening skills and improving reading comprehension. Students will have time to practice reading during class, so they should bring a novel with them each day. This can be one of their summer reading books. We will also work on writing skills and test taking strategies. The course is for students in the 5/6 or 7/8 grades who need extra help or extra practice developing good study habits!
