Wesleyan School's Theater Camp will allow your child the opportunity to have a taste of the life of a Theater Professional. Each day will focus on different aspects of the theatre. Lights, sound, makeup, costumes, scenery, props – we'll do it all! And we haven't forgotten performing! If you've got an aspiring actor, singer, or dancer we've got you covered. The camp will culminate in a Showcase that will allow the campers to display their talents. The best part is that there is no experience required! Whether your child has performed in dozens of productions or has never set foot upon a stage, they are welcome! All that's required is a good attitude and a willingness to learn and have fun!
