

Science Camp

July 19th - 23rd

9:00 – 12:00

Rising 3rd – Rising 5th

Teacher – Paige Pera – Wesley Hall - room 266

\$100.00/child

ppera@wesleyanschool.org

This course is designed for students who have a keen interest in science and want to participate in fun experiments without the pressure of quizzes, tests, or written assessments. This camp is all about hands-on activities to make learning science fun. Each day will be filled with demonstrations, labs, and other activities that will allow students to learn more about all areas of science.
