

The Wesleyan Arts Alliance provides financial, physical and spiritual support of the students as they participate in a variety of visual and performing arts programs in all grades K-12.

As the school's mission statement focuses on the "whole child", body, mind and spirit, we feel that the Arts at Wesleyan represent the "spiritual expression" of that child. We at the WAA want to do everything we can to help support children in their expression.

We achieve this by way of a few school wide fundraisers.

Christmas Card Sales – running 10/15-11/1. This is done through your child's art classes and a proof is sent home for ordering in October.

Original Works – running spring 2012. You will have the opportunity to order products with your child's original artwork displayed.

The Artist Market – 5/3/12 through 5/5/12. This is our largest event to celebrate the Arts! This is a venue of over 80 artists and their work including all types of art mediums from jewelry to fine art at all price points.

None of this could happen without your support! Here are some of the opportunities for you to help.

 **Become a Member** of the WAA at one of the three levels - Maestro \$200, Conductor \$100, Virtuoso \$50.

 **Volunteering** to help with one or more of the above events/sales through your classroom sign-ups or by contacting the WAA President, Kathie Chipman (see below)

Please check out the Arts Alliance web page on the school's website for updated news and information.
